Basil Ricci was the man with the big smile, big voice and even bigger heart. He left a profound void in our lives, community and this world, but memories of Basil will sustain and we will never forget him.

Our Morris County Sons of Italy Lodge #2561 was founded as a non-profit organization, which contributes thousands of dollars to worthwhile local charities and families. 100% of what we raise goes directly back to local needy families as gift cards and local charities including but not limited to the Parsippany Food Pantry, High School Scholarships, the Valerie Fund, The Shelter for Battered Woman, Alzheimers, & many more.
